CONTENT INDIA

NURTURING A WORLD OF CONTENT

The Indian media landscape has undergone a complete change that has transformed it into one of the largest, and most lucrative, markets for entertainment in the world. With its current trajectory, the M&E sector in India is expected to cross USD 34 billion by 2024. Indians are consuming content voraciously, with over 900 broadcasting channels and over 40 VOD platforms. The engagement with video entertainment is at an all-time high, further fueled by the pandemic.

CONTENT INDIA SHOW is one of the most exciting and dynamic events for the content industry in India. As an international platform, it brings together creators, innovators, and curators from all over the world, creating an environment buzzing with ideas and insights. Exhibitors, buyers, sellers, syndicators, distributors and participants come together to share their expertise, engage in productive conversations, and explore business opportunities.

Amol Gupte,
Film Director

A.B.I.S encompasses everything possible from the analog to the new digital to AI to everything. It's a one stop shop, and I'm quite sure I don't need to tell people who are seekers of knowledge to come here.

Loris Curci,
Film Producer,
Blue Film (Italy)

Content India Show provided a platform for rich discussions and exchanges that catered to the curiosity of professionals eager to stay informed about the latest happenings in the film world. It's an exciting event that goes beyond the typical audience, making it a must-attend for anyone passionate about the global film industry.
