NURTURING A

WORLD OF CONTENT

CONTX2023 - CONTENT INDIA SHOW is one of the most exciting and dynamic events for the content industry in India. As an international platform, it brings together creators, innovators, and curators from all over the world, creating an environment buzzing with ideas and insights. Exhibitors, buyers, sellers, syndicators, distributors and participants come together to share their expertise, engage in productive conversations, and explore business opportunities. The show is designed to foster creative cross-fertilisation, networking, and to help participants optimise opportunities to grow their businesses. If you're looking to expand your horizons and meet some of the influential minds in the content industry, then CONTX2023 is the event for you.
